A GTALES STORY

(Name) and the Big Shadow

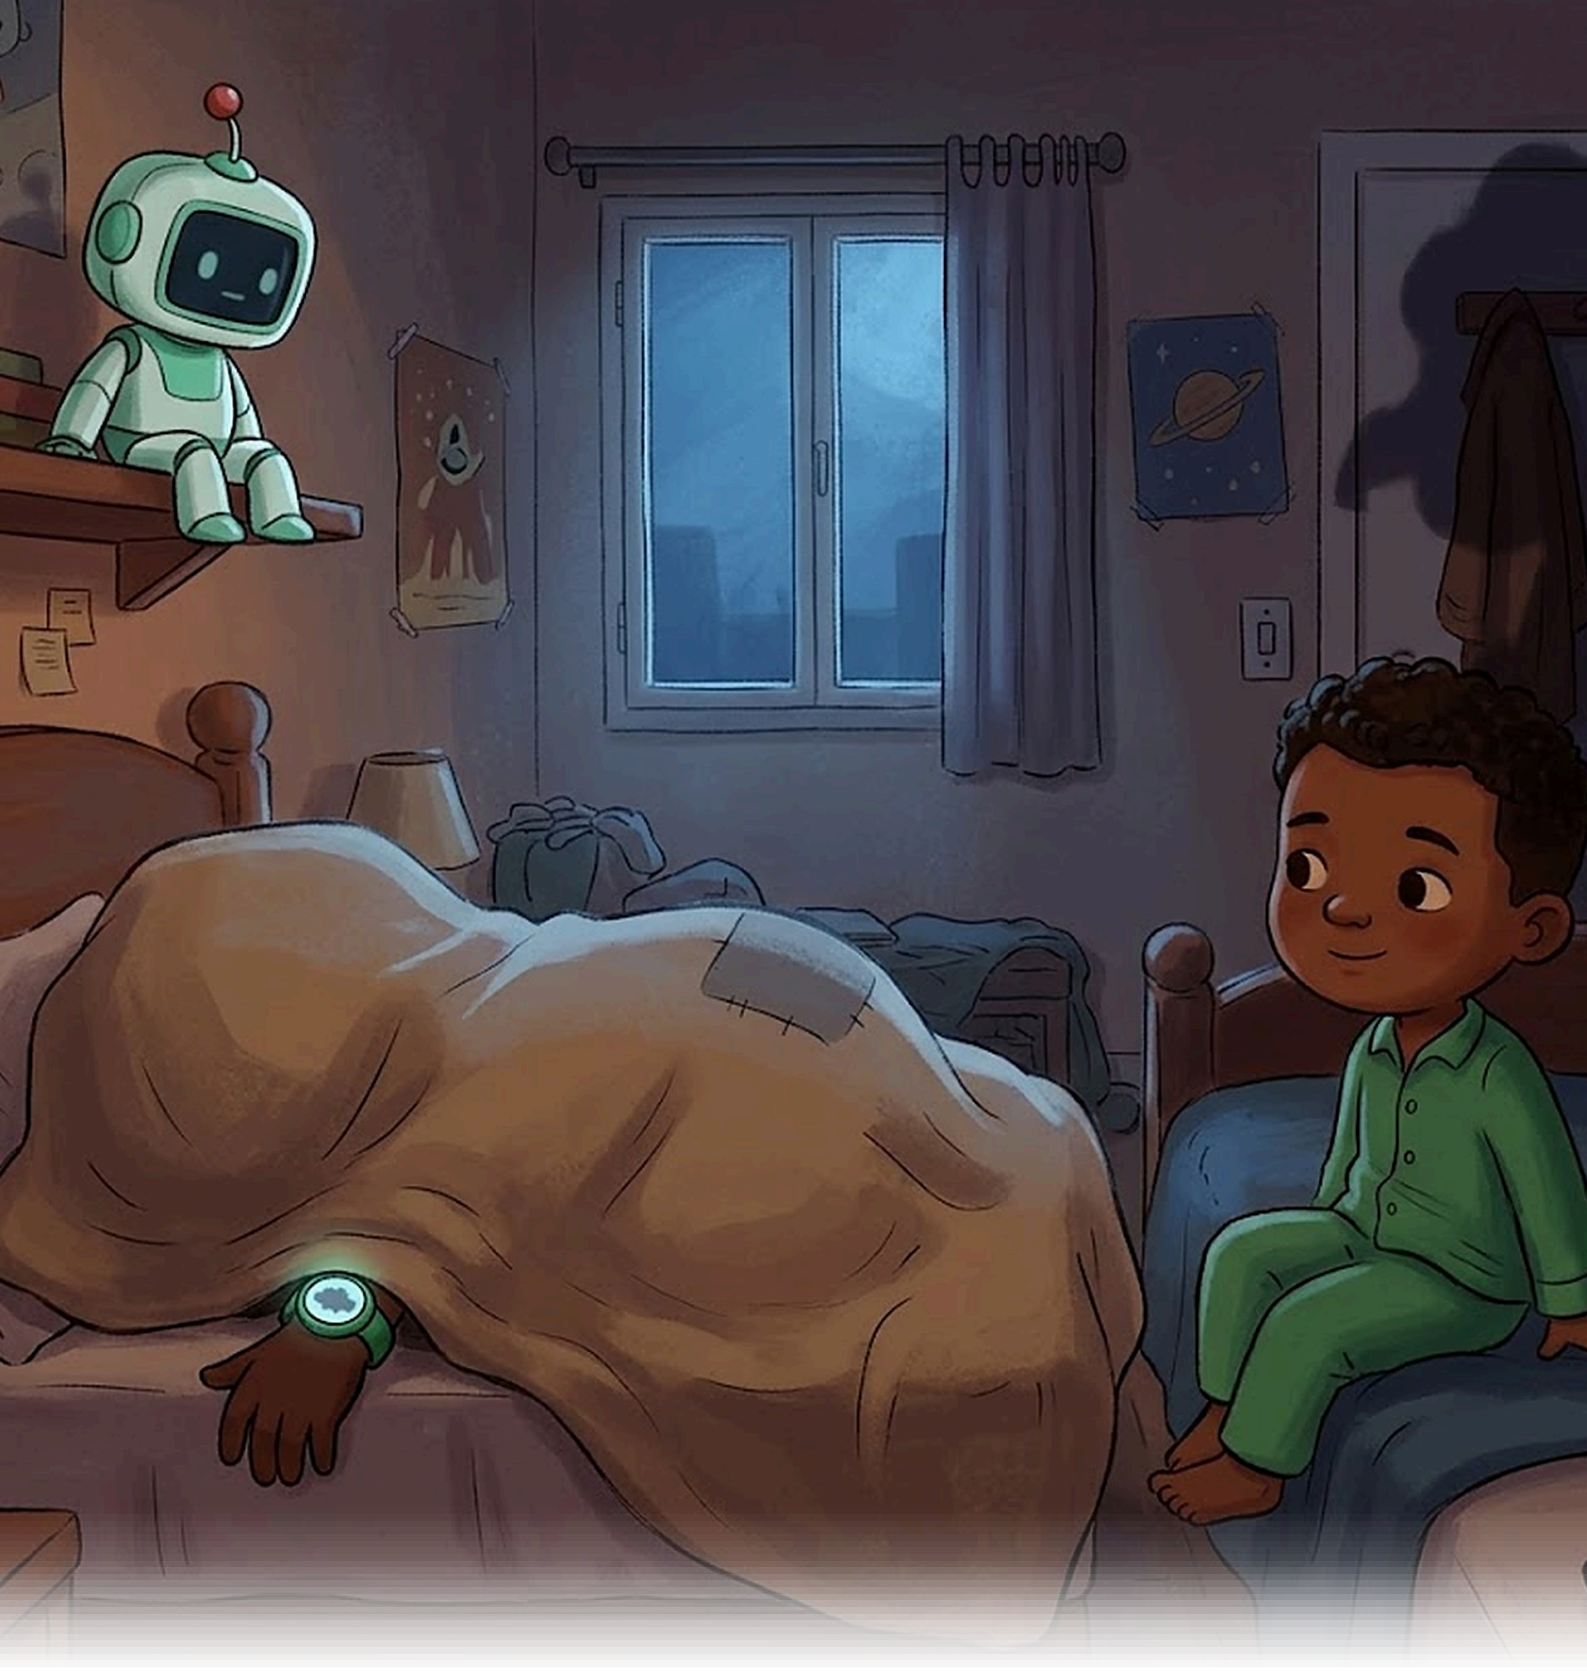

Made for (Name)

It was bedtime in (Place). (Name), (Age), was in bed. Click! The power went off.

On the wall was a big, dark shadow with pointy ears!

(Name)'s tummy felt tight. The cloud on his band began to grow.

"Mama!" (Name) cried, and hid under his blanket.

"It's just a power cut," said (Other).

But the cloud on his band was very big now.

YOUR TURN

Look at the band. Is the cloud big or small?

- ◯ Big
- ◯ Small

Then (Sidekick)'s eyes lit up. Whoosh! A soft wind lifted (Name) all the way up to the roof.

"Beep. Don't worry. I'm here," said (Sidekick).

A note said: The Big Shadow took the light from the Big Fanous!

His band had a tiny screen.

SMALL CLOUD = LIGHT · BIG CLOUD = DARK

"I'm scared of the dark," (Name) whispered. The cloud got smaller, and his band began to shine.

YOUR TURN

What makes the worry cloud smaller?

- ◯ Saying the worry out loud
- ◯ Hiding under a blanket

A dark stairway led to the next roof.

"I'm scared," said (Name). "But I can go slow."

Step by step, they went up. Little geckos waved hello!

By the pigeon house, a little pigeon was crying.

"I'm Simsim. The Big Shadow took the light. Where he goes, the lights go out."

YOUR TURN

Which way did the Big Shadow go?

- ◯ Where the lights are off
- ◯ Where the lights are on

"WOOF!" (Name) ran and hid. His band went dark.

Then he hugged his tummy. "I'm scared," he said out loud, and the light came back.

It was just a friendly dog!

Under a flower pot was a note. "Read it, quick!" said (Sidekick).

YOUR TURN

Help (Name) read the riddle.

I am big on the wall, but small in real life.
Turn on the light, and I go away. What am I?

- ◯ A shadow
- ◯ A giant
- ◯ A ghost

There it was! The Big Shadow, next to the dark Big Fanous.

"GO AWAY!" it said.

But look. The Big Shadow was shaking.

Only some planks glowed between the roofs.

(Name) took one slow breath. "I can take one small step."

YOUR TURN

Trace the planks with your finger. Which path gets to the top?

- ◯ Blue
- ◯ Green
- ◯ Pink

"BOO!" said the Big Shadow.

(Name) ran all the way down the stairs.

Now he was alone. (Sidekick) was still up there, in the dark.

"I left (Sidekick) alone," said (Name).

He remembered his Power Word. And he needed your help.
