A GTALES STORY

(Name) and the Great Blocktown Smash

Made for (Name)

(Name), (Age), built the tallest tower in all of (Place). It was taller than the sofa!

Then (Other) ran in with a toy plane. Bump! The tower began to wobble.

(Name)'s fists felt tight. The new band on her wrist glowed yellow.

Crash! Down came the tower.

"(Other)!" (Name) shouted. She threw a block, hard. It hit (Sidekick), her little robot, and an arm fell off.

(Other) began to cry. And (Name)'s band glowed red.

YOUR TURN

Look at (Other)'s face. How does (Other) feel?

- ◯ Sad and scared
- ◯ Happy
- ◯ Sleepy

Then (Sidekick)'s eyes lit up, and the toy box began to spin. Whoosh! (Name) shrank and fell right in.

She landed in a city made of blocks. (Sidekick) was alive! "Beep. I'm OK!"

A sign said: Wrecks the raccoon took the Golden Brick. Blocktown will fall at sunset!

Her band had a tiny screen.

GREEN = BUILD · RED = SMASH

"When it's green, your hands can build anything," said (Sidekick).

(Name) took a slow breath. The band turned green, and the blocks began to float.

YOUR TURN

Which color makes the band BUILD?

◯ Green ◯ Red

A wide river blocked the road.

(Name) pointed, and the blocks flew. Click, click, click! A bridge grew across the water.

Click! The bridge was done, and they ran across.

A tiny block-girl was hugging her wobbly house. "I'm Tilly. Without the Golden Brick, everything will fall at sunset."

"Wrecks ran past here," she said. "Follow his paw prints!"

YOUR TURN

Look at the paw prints. Which way did Wrecks go?

- ◯ To the bakery
- ◯ To the tall tower

A pigeon landed on (Name)'s head, and left a mess. Yuck!

Her band glowed red. She stomped so hard that the bridge broke. "Beep. We needed that," said (Sidekick).

(Name) stood very still. Slowly, her band turned yellow, then green.

With calm green hands, (Name) built the bridge again. Under the last block, (Sidekick) found a stone with a riddle on it.

YOUR TURN

Help (Name) read the riddle.

I go in and out, all day and all night.
I cool your soup, and I cool you too. What am I?

- ◯ **A slow breath**
- ◯ **An ice cube**
- ◯ **The wind**

There he was! Wrecks the raccoon, with the Golden Brick.

He ran down the street, knocking towers over with his tail.

But look. Wrecks had a little band too, and it was red.

Wrecks ran into a maze. "You can't catch me!"

(Name) wanted to smash every wall. But she took one slow breath, in and out. Now she could think.

YOUR TURN

Trace the paths with your finger. Which flag leads to the tower?

- ◯ Red flag
- ◯ Yellow flag
- ◯ Blue flag

"Too slow!" Wrecks laughed from the top of the tower.

(Name)'s band glowed red. She hit the wall. BANG! The wall broke, and (Sidekick)'s other arm fell off.

The sun was going down. All over Blocktown, the towers began to lean.

(Name) held (Sidekick) gently. "I'm sorry. I didn't mean to hurt you." She remembered her Power Word. And she needed your help.

YOUR TURN · DO IT WITH (NAME)

Stand up and do each step:

- ☐ **Freeze.** Hug your tummy.
- ☐ **Breathe.** In, then slowly out. Three times.
- ☐ **Say your Power Word:** "(Power Word)"
- ☐ **Use your words:** "I'm mad. (Need)"

(Name) lifted her green hands. Up went a ladder. Out went a net. Wrecks tumbled right in!

(Name) climbed up and put the Golden Brick back. Click.

All over Blocktown, the towers stood up straight.

In the net, Wrecks was stomping. His band was red.

"You too?" said (Name). "Breathe with me." Wrecks's band turned green, and for the first time, he built something.

YOUR TURN

Help (Name) teach Wrecks. Take three slow breaths, and tick a box for each one.

☐ ☐ ☐

Back home, (Other) ran in. Bump! Down came the tower again.

This time, (Name) froze and took three slow breaths. "(Power Word)"

"(Other), I'm mad my tower fell. Will you build a new one with me?"

They built it together, and fixed (Sidekick) with tape. "Best (Strength) in (Place)," beeped (Sidekick).

When (Name)'s tower crashes, so does her temper.

Suddenly she is tiny, in a city made of blocks, with a little robot and a raccoon who loves knocking things down.

Blocktown will fall at sunset. Can (Name) keep her band green?
